

Pamela Jane Nye, President, RN, MS

I am a healthcare consultant with more than 10 years in the field of administrative consultation with hospitals and medical centers in achieving Primary Stroke Center certification from the Joint Commission. I have more than 25 years' experience as a Neuroscience Clinical Nurse Specialist providing high quality clinical practice standards and education to nurses working in large, tertiary medical centers in California (UCSF, UCLA, Cedars Sinai Medical Centers). As a much sought-after speaker and lecturer, I have speaking experience nationally, regionally and locally on subjects of neurological and neurosurgical nursing.

My research interest is in the areas of: stroke, fall reduction through proactive toileting, and effects of impulsivity in the hospitalized patient.

Education:

Bachelor of Science in Nursing from California State University

Master of Science degree in Nursing from the University of California, San Francisco

I hold three national certifications:

- Certified Neuroscience Registered Nurse (CNRN)
- Stroke Certified Registered Nurse (SCRN)
- Emergency Neuroscience Life Support (ENLS)

Experience as a Consultant:

2019-Present

- University of California, Los Angeles, Medical Center (UCLA)
